

# Patients and Families Testimonials - MWMC

- ***“I feel so much better knowing they know if I get sicker”***

Patient at MWMC, Framingham, MA

- ***“This is amazing technology, without even wiring me down”***

Patient at MWMC, Framingham, MA

- ***“I’m not so nervous because they know what’s going on with me”***

Patient at MWMC, Framingham, MA

- ***“This machine helped the nurses to control my sister’s pain at end of life, very respectful, noninvasive, and comforting”***

Sister of CMO Patient at MWMC, Framingham, MA

# Patients and Families Testimonials - FHT

- ***“Thank you so much for this machine, they noticed my pain and I didn’t want to bother them. I haven’t felt so good and slept so well since I got here.”***

Patient at FHT, Tampa, FL

- ***“It let them know I was getting up, I didn’t think I needed help, but she came and I was very dizzy walking.”***

Patient at FHT, Tampa, FL

- ***“It notified my nurse there was changes in my condition. The nurse and Doctor came in and adjusted my medications”. Who knows what would have happened if this wasn’t’ here.”***
